The Company did not recruit personnel (between 1999 to 2003) due to huge financial losses incurred during this period. Further, the Company entered into an MoU with Govt. of India in 2000, which envisaged, among other changes, reduction of manpower to 1,00,000 by the end of the year 2005 through operation of VR Scheme to enhance performance for a business and financial turnaround.

D -	5379	95	7	7.36%		

Since Manganese Ore (India) Ltd. is a Mining Company and major activities carried out are in underground Mines situated in remote places, it is not possible, due to statutory restrictions under the Mines Act and Metaliferous Mines Regulations and because of safety reasons, to deploy disabled persons on jobs which are of strenuous nature. However, certain areas have been identified where disabled persons can be accommodated. There is no direct recruitment in these areas since last 5/6 years. However, whenever vacancies arise in these identified cadres, the reserved quota of physically handicapped will be taken care of.
